Damaged or missing goods?		

Report shortfall →

Dispatcher exception queue

0 open

No shortfall reported yet. Your loading checks stay in place.

Catch the issue at the dock.

Report the affected quantity and evidence. The dispatcher decides the store-facing resolution before departure.

HANDOFF RULES

A clear manifest for the driver.

- Record the shortfall and photo.
- Escalate to the dispatcher.
- Confirm replacement or approve a partial delivery.
- Update the manifest and notify the store.

Awaiting milk loading check

A shortfall keeps this trip on hold until the dispatcher resolves it.

Report a shortfall
